## ANNEXURE 1

The criteria for the final Employment Offer Letter shall be subject to your successful completion of all curricular requirements as laid down in the fellowship program run by BridgeLabz on behalf of its Hiring Partner, as per the criteria described below

1. You will be expected to devote your full-time to the Fellowship Program conducted by BridgeLabz in the Lab provided by SRM University to be be job ready in the specialized technology and facilitate your placements into any of the technology driven companies based out of India, associated with BridgeLabz (individually referred to as 'Hiring Partner' and collectively as 'Hiring Partners') or deployment with BridgeLabz, as the case may be.
2. BridgeLabz Fellowship Program Methodology
    a. The program is based on BridgeLabz' live experiential learning methodology, where you are handheld by mentors who are practicing engineers.
    b. You will have live sessions in your campus on daily pre-communicated times. Every concept will be explained by the mentor, and you will be expected to solve problems with the help of mentors and then also on your own.
    c. The entire program is based on a learning methodology which is called "maker concept," where you learn by doing everything yourself.
    d. The overall program requires you to be groomed with tech skills generally required for all tech companies. This involves
        i. 2 - 3 hours daily live mentoring sessions conducted by practicing engineers;
        ii. Carry out the practice problems each day given as assignments after the live session.
        iii. Attend workshops that will be organized from time to time so that you can apply the skills learnt in the daily live session;
        iv. Any other session that will be required as per the progress and mentor's discretion.
3. While being a part of the BridgeLabz-SRM Fellowship Program, you agree and undertake:
    a. to maintain 90% attendance in all of the fellowship sessions, modules, meetings, events and interactions organized, and that a continued absence from attending the program for more than seven (7) working days without express permission in writing from the management of BridgeLabz or SRM, shall be tantamount to voluntary abandonment of the Program;
    b. to provide information and/or make submissions, reports, and/or assignments, in an orderly manner, as may be required for the due completion of the program; complete 100% of all projects and submissions on time and with quality;
    c. to be bound by the policies, rules, and regulations of Bridgelabz & SRM as may be in force from time to time or as may be brought to notice by Bridgelabz;
    d. Attending 100% of the reviews is mandatory. Clear all the periodic reviews, conducted by either Bridgelabz or its Client, during the program.
    e. You will be bound by the location, technology mapping, remuneration, and hiring partner as provided by BridgeLabz.
